

## **Email from Amanda B in place of H&I Minutes for March since H&I did not meet due to COVID19 outbreak**

So as you know H&I (and Area, and PR, and Outreach) got cancelled for March due to the Coronavirus pandemic. So rather than traditional minutes I'll just state right here the info I have received from some members regarding H&I (so far):

### **From Larry C (as of 3/13/20)**

- Tell everyone that I have H&I schedules and if they need desperate I will be at area to drop off the groups schedules.
- VA Meeting
  - It is on hold for the time being
  - We are evaluating our ability to conduct this meeting.
  - More will be revealed
- Prison Parole day.
  - Was going well - as the prison is on shutdown they may be also.
  - We will not know until Monday.
- Nate will give prison report.

### **From Stephanie E (as of 3/13/20)**

- RW is going well. I texted them today and they are still wanting us to come next week. They are letting visitors and speakers in.
- No literature needs that I can think of.

### **From Ruth Y (as of 3/14/20)**

- Meetings at the parent children program at the Odyssey House are going well. Chad was co-chairing for a few weeks, but he has taken on a job and can't be there anymore. Cassidy says she wants to be more involved.
- I got the dog tags from Larry and the clients at the Odyssey House really appreciated them.

### **From Casey V (as of 3/16/20)**

- Know VOA Detox will not be hosting meetings for two weeks.

### **From Amanda B/Stephanie E (as of 3/16/20)**

- Recovery Ways has stopped allowing outside visitors. They will notify us when they lift the hold.

### **From Carol G (As of 3/16)**

- Oh yeah, sorry... jail and prison meetings suspended, but were going well. Today I heard from Orange Street and they said give 'em a couple weeks, so...
- Those are my three reports.
- Also, Alano Club closed for the time being (not H&I - I just thought some peeps here might wanna know.
