We need more members! Reach out to your sponsees and sponsors.

Prison List of people cleared; all applications: received, pending, and still needed. Unfortunately, we have sent our apps several times, and may need to send them again. We are still waiting for a call to get our badges. Julie and Doug are the only cleared folks. We have a list of reasons for application denial– thank you, Julie! Attached.

Release Fair. Made contact with new POC for the release fair: Adam Yorgason. We understand the requirements: none (no weapons, drugs) Carpool! Tuesday 9-11 max 2 ppl. Can have literature, eventually, but minimal – a regional meeting list is requested.

Orange Street. Made contact with POC, Arely. We need new badges to come in, she reported the women miss us and would like us to come in more.

Jail - SLC

Made contact, received list of people cleared.

Received time slots for Men. Vickie asked if we would like her to look at any particular spot for the Men. Jason?

Jail Tooele

No contact with Panel Leader after multiple attempts.

New Business:

Ruth suggested looking into senior living centers who may need to hear the message. Collyn suggested talking to PR and Outreach to make those suggestions.

We need to comprise a regional meeting list for the release fair- Stevie will do so.

Julian is new! They would like to get involved ASAP. Asked about jail/prison exceptions. We will get them set up with a commitment.
